PROPOSAL UNDER PM-USHA COMPONENT-5: GENDER INCLUSION AND EQUITY INITIATIVES

About the college:

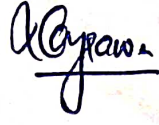

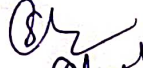

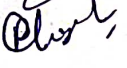

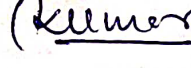

Govt. College for Girls, Pillukhera (Jind) was established in 2019 with an objective to promote and enhance the enrollment of the female students in Higher Educational Institutions. By dint of sheer hard work and assiduous efforts of the learned faculty coupled with the visionary approach of the Head of the Institution, this college has succeeded in enrolling more than three hundred and fifty female students from rural areas. The college has been running social-outreach programme for promoting female education for the last two years. The college faculty visits almost all the senior secondary schools situated in the neighboring villages to hold a friendly and motivational talk with the female students and thereby counselling and making them aware about the benefits of higher education. But the aspirations and expectations which they dream of before taking admission are deflated a wee bit when they find the college lacking in basic infrastructure necessary for imparting quality education to the students. There are no smart classrooms, no sports items, no trainer/coach/Prof. of Physical Education, no musical-instruments and costumes necessary for cultural activities/events. Most of the female students hail from remote areas where there is poor conveyance facility which, in turn, discourages the parents from getting their daughters admitted to this college. With an aim to facilitate the cause of Pradhan Mantri Uchchatar Shiksha Abhiyan to attain higher levels of access, equity and excellence in the State higher education system with greater efficiency and transparency, the college has drafted a proposal for receiving grant under component 5 of PM-USHA scheme so that it may provide the following facilities to the female students and transgenders residing in the rural locale.

CHAPTER-VI: SUGGESTED ACTIVITY UNDER PM-USHA	DESCRIPTION OF PROPOSAL TO GET GRANT UNDER COMPONENT-5 OF PM- USHA	TENTATIVE COST
Sr. No. 36 Training of Girls in Self- Defense/Physical	Most of the girls enrolled in this college have their upbringing in rural areas where they, though deprived of many opportunities open to city-bred	10,37,000/-

<p>Education Classes</p>	<p>girls or boys, have keen interest in games. On account of their sheer inclination towards games, they have won trophies for college many a time in spite of the lack of sports infrastructure and a trainer or a coach. If these girls were provided with the facilities of sports equipment coupled with a good trainer/coach, they would have excelled in the fields of Sports. With an objective to provide them opportunity to excel in sports, the college has drafted a proposal to procure the Sports infrastructure and trainer as per the List of Activities (mentioned against Sr. No 36) under Component 5 of PM-USHA. The grant of Rs. 10,37,000/- is required for the said purpose.</p>	
<p>Sr. No. 37, 38, 39 Legal Support Cell/Awareness Generation Programme/Women Cell</p>	<p>A grant of Rs. 3,00,000/- is required to impart skill & vocationalisation training/workshops for female and transgender, for organizing programmes related to awareness generation, sensitization and legal literacy among girls under Women Cell and Legal Literacy Cell.</p>	<p>3,00,000/-</p>
<p>Sr. No. 39 Focus on Skilling and Vocationalisation Training/ Workshops/Placement for Females and Transgenders</p>	<p>Activities proposed under Sr. No. 37, 38 & 39 cannot be implemented in toto in the absence of necessary infrastructure needed for the purpose. Therefore, a grant of Rs. 5,75,000/- is required to purchase Books on Competitive Exams., Computer, Printer, Almira, Table, Chair, Magazine Stand etc. to empower the girl students under Placement Cell and Sewing Machines under Women Cell.</p>	<p>5,75,000/-</p>
<p>Sr. No. 32 Adequate Toilet Facilities for Students Especially for Women/Transgenders</p>	<p>The college is running temporarily in the building of a school. So, the toilets which have been given to the college are unhygienic and in deplorable condition, thereby not hygienic and safe for the female students. The construction of college building has not yet been started. So, the possibility of shifting the college to its own building, even for the next two years, seems to be a dream far-fetched from reality. That's why an estimated grant of Rs. 1,00,000/- is required for renovation and repair of Girls' Toilet.</p>	<p>1,00,000/-</p>
<p>Sr. No. 41 Providing Special Conveyance Facility for Females and Transgender</p>	<p>An expenditure to purchase a bus along with its maintenance, Expenses on hiring of a driver and a conductor is estimated around Rs. 50,00,000/-. Therefore, a grant of Rs. 50 Lakh is required to procure special conveyance facility.</p>	<p>50,00,000/-</p>

Smart Class Room	To strengthen basic infrastructure necessary for imparting quality education to the students, a grant of Rs. 24,75,000/- is required which will be utilized for procuring Interactive White Board, Visualizer, Projector, Document Camera, Loudspeaker, Smart Teaching Podium, Audio System, Invertor & Batteries, LED etc.	24,75,000/-
Other Requirement	AC for Girls Common Room & Staff-Room, Campus WIFI, CCTV Cameras, Sound System, Generator, Zerox/ Photo-Copier Machine, Microwave Oven.	11,00,000/-
Total Amount	(ONE CRORE, FIVE LAKH, EIGHTY-SEVEN THOUSAND)	1,05,87,000/-
